

Enriching Lives

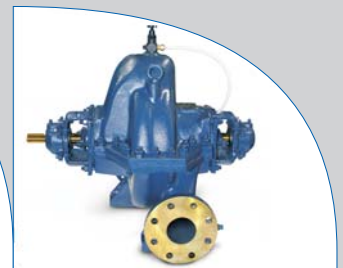

Maximise the performance of your centrifugal pump.

*Learn from the experts.*

**SERVICE TRAINING**  
**SCHEDULE 2012-13**  
For Customers & Dealers

**KIRLOSKAR BROTHERS LIMITED** CUSTOMER SERVICE & SPARES

## OBJECTIVES

To make the end-user aware of the fundamentals and working principles of Centrifugal Pumps, thus enabling them to operate and maintain the equipments more efficiently.

The training programme is designed by KBL to offer the best possible theoretical, as well as practical knowledge to our valued customers. This is backed by KBL's 100 years of expertise and experience, knowledge of customer requirements and most importantly, a genuine feedback from participants who have attended the training programme previously.

A month wise training schedule for the year 2012-13 is appended here. Kindly go through the same and avail of this training opportunity by deputing deserving candidates from your organization.

## HOW TO REGISTER

A registration form is provided with this Training Schedule (please contact us in case of non-receipt of the same). Fill up this form and send it to our nearest regional office, or to the address given on the last page, along with a DD of ₹ 5,515/- drawn in favour of Kirloskar Brothers Limited, Kirloskarvadi / Pune.

On receipt of the DD, confirmation of registration will be intimated to participating companies by E-mail / Telephone / Fax by Customer Service & Support directly under copy to respective Regional Office.

In case of two or more candidates from a single organization, we request you to get specific confirmation from us, as the training programme has limited capacity. To avoid inconvenience to participants, we sincerely request you not to depute candidates to Kirloskarvadi without confirmed registration.

## TOPICS COVERED

- \* Design, concept and constructional features of centrifugal pumps
- \* Application and selection of pumps
- \* KBL range of products and its applications
- \* Assembly and dismantling of pumps (on job training)
