Service Training at Kirloskarvadi

Objectives

To make the end user aware of the fundamentals and working principles of Centrifugal Pumps, enabling them to operate and maintain the equipments more efficiently.

The training program is designed by KBL to offer best possible theoretical as well as practical knowledge to our valued customers. This is backed up by KBL expertise and experience in this field over last 100 years, customer's requirement & most importantly a genuine feed back from the participants who have attended the training program.

Monthwise training schedule for the year 2009-10 is apprehended here. Kindly go through the same and avail this facility by deputing deserving candidates from your organization.

The Process to get registered

A registration form 'TRG-1' is provided with this Training Schedule. (Please contact us in case of non receipt of the same). Please fill up the same and send it to our nearest regional office or to us along with a DD of Rs.5510/- favoring Kirloskar Brothers Limited, Kirloskarvadi / Pune.

On receipt of the DD, confirmation of registration will be intimated to participating companies by E-Mail / telephone / fax by Customer Service & support directly under copy to respective Regional Office.

In case of candidates are more than two from a single organization, we request you to get specific confirmation from us being a limited capacity for training. To avoid inconvenience to participants, we sincerely request you not to depute candidates to Kirloskarvadi with-out a confirmed registration.

Topics covered for training

- Design, concept and constructional features of centrifugal pumps
