

## KBL Wins National Energy Management Award

The Confederation of Indian Industry recently organized a competition for 'Excellence in Energy Management – 2009'. The contest drew participation from 140 companies from all over India.

Based on the data provided as per a questionnaire, 38 companies were selected for making a presentation. From these shortlisted companies, 20 were declared as '**Excellent Energy Efficient Units**'. KBL was one of the stars in the galaxy of winners. KBL also bagged three awards declared for '**Innovative Projects**'.
